Bernina 830 Limited Edition w/ EMB MOD

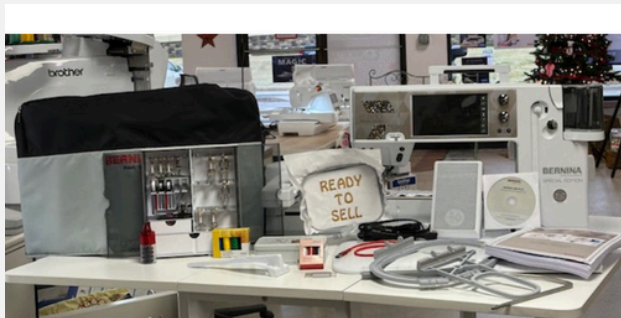

The Bernina 830 Limited Edition machine combines advanced technology with a uniquely elegant design for sewing, quilting, and embroidery. With 12 inches of workspace to the right of the needle, it's perfect for large projects and quilts, and the included BERNINA Stitch Regulator ensures smooth, even free-motion stitching. Enjoy fast speeds of 1,100 stitches per minute for sewing and 1,000 for embroidery and a longer sewing time with the jumbo bobbin, which holds 40% more thread and reduces interruptions during long sessions.

The endless embroidery feature simplifies border designs with seamless alignment, and automatic thread cutting, jump stitch trims, and presser foot lift makes your projects even more efficient and easy. In addition, you can complete drag-and-drop stitch editing and take advantage of easy access to on-screen tutorials with the touchscreen.

Bernina 770 QE PLUS Kaffe Edition

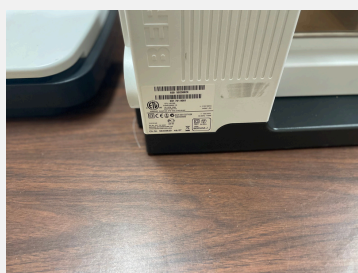

The Bernina 770 QE PLUS Kaffe Edition is a limited-edition Bernina sewing, quilting, and embroidery machine that has everything you love about the Bernina 770 QE plus special inclusions that only come with this machine. The one-of-a-kind white and lavender faceplate with bright florals gives a bright burst of color to your machine and is accompanied by a Kaffe Fassett-inspired dust cover. Additionally, there are a total of 74 quilting stitches and 339 embroidery designs, with 64 designs inspired by Kaffe Fassett and 26 designs that are exclusive to this machine.

This Bernina 770 QE PLUS Kaffe Edition features the Bernina Stitch Regulator (BSR) with an easy to use BSR 3 Mode. You can choose 2 or 4 stitches per inch for a customizable experience. For quilters, the KickStart function allows quilting in a continuous sewing mode without having to keep constant pressure on the foot control. You can also create quilt patterns through embroidery with 8 embroidery fonts. With several other beneficial features, the Bernina 770 QE PLUS Kaffe Edition is hard to beat!

Bernina 880 Plus

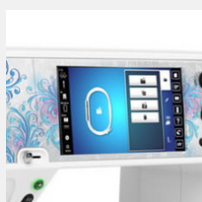

The Bernina B880 Plus is the ultimate in sewing, embroidery, and quilting machine. The B880 Plus includes an integrated Stitch Library offering over 1,764 stitches. Each is clearly categorized and stitches are easily retrieved, so you can find any of the 12 font styles and 460 high-quality embroidery designs you need. Enjoy pinpoint placement, enhanced editing functions, total embroidery stitch control, the Bernina Stitch Regulator, and the precise BERNINA Hook that sews high-precision stitches up to 9 mm in width with speeds up to 1,000 stitches per minute.

The extra-large bobbin holds 70% more thread than standard bobbins, so you can keep sewing for longer with the 13-inch free arm and 10 inches of space to the right of the needle. Automatic features included are thread cutting at the end of the seam, semi-auto threading, and auto-lowering of presser foot. Additionally, you'll have access to on-screen support, which provides sewing tips and time-saving advice for the ultimate user experience.

Bernina 880 Sterling Edition

The Bernina B880 Sterling Edition is an advanced, innovative machine that is made to be as sleek as it is functional. This sewing and embroidery machine boasts an extended freearm for an XL embroidery field that expands the border of your creativity. There are several benefits built-in to the B880 Sterling Edition, too, and you can experience the convenient of the 7" color touchscreen with drag-and-drop, vertical scrolling, and swiping functions for heightened editing abilities. On this touchscreen, you will have access to:

- An extensive stitch and design library with over 1,764 stitches, 400 high-quality embroidery designs, and 12 font styles
- The Bernina Stitch Designer, which allows for the creation, editing, and storage of your own stitches,
- The Bernina Shape Designer, which makes duplicating and arranging embroidery designs easy,
- The Bernina Color Wheel, which coordinates designs to a color scheme, and
- A Distortion feature, which allows for a .01mm distortion to stitch patterns.

Bernina 990

This certified pre-owned Bernina 990 is the newest and most advanced Bernina machine on the market. Its extended freearm offers 14" of space to the right of the needle and the huge 10" centrally located touch screen provides clear navigation for all functions. With the BERNINA Placement Scanner and built-in camera, you can preview stitches, scan your hoop, and see the needle area on-screen. A new Giant Hoop and 16.1" x 12" embroidery field allow you to embroider a full 12" block with ease and precision. With the Pinpoint Laser, you see exactly where the needle will enter for accurate stitching. The BERNINA Integrated Stitch Regulator (BISR) delivers flawless stitch length, even with Ruler Work. Stitch plate recognition provides safety by disabling incompatible settings. Choose from 2,927 stitch patterns or create your own using the Stitch Designer, and resize stitches up to 500% as well as store your creations in personalized folders using the File Manager.
