Harry Potter × bernette

SWISS DESIGN

BRING MAGIC TO YOUR FABRIC

The bernette 79 Harry Potter brings enchantment to the world of sewing and embroidery. Its design features charming Hogwarts-inspired details, making all your projects feel like crafting in a wizard's workshop.

As a sewing and embroidery machine, the b79 Harry Potter offers you plenty of creative freedom with 500 stitches and five exclusive Harry Potter decorative stitches. For embroidery, you can choose from 260 built-in motifs, including 42 enchanting Harry Potter designs. Ten additional exclusive motifs reveal their full brilliance on the generous 260 x 160 mm embroidery area. On the color touchscreen, you can edit, position and combine your designs intuitively so every project reflects your unique creative signature.

From garments to accessories and home décor, the b79 Harry Potter sparks fresh ideas and brings your cherished moments from the wizarding world to life in your sewing and embroidery projects.

Features you will love

The bernette 79 Harry Potter Edition's many strengths include:

- ⚡ Exclusive "Harry Potter" machine design with hidden details
- ⚡ 500 total stitches, including 5 exclusive Harry Potter decorative stitches
- ⚡ 250 pre-installed embroidery designs, with 42 Harry Potter-themed designs
- ⚡ 10 additional exclusive Harry Potter embroidery motifs
- ⚡ Large embroidery area up to 260 x 160 mm
- ⚡ Stitch Designer for creating custom stitches
- ⚡ Edit and position embroidery motifs directly on the touchscreen
- ⚡ Tutorials on essential sewing and embroidery topics
- ⚡ CutWork Tool compatible for precise cutouts and eyelet embroidery
- ⚡ Easily upload and save additional embroidery motifs via USB
- ⚡ Programmable foot control with back-kick function

Add a Spellbinding Touch to your Creations

The b79 Harry Potter brings a treasure trove of creative extras straight to your sewing space. Alongside the exclusive Harry Potter embroidery motifs and decorative stitches, you get a generous set of hoops, presser feet and workspace that lets your ideas unfold with ease. It is everything you need to craft pieces that feel truly special.

Included Extras

- ⚡ 10 exclusive Harry Potter embroidery motifs
- ⚡ 5 exclusive Harry Potter decorative stitches
- ⚡ 3 embroidery hoops in three sizes
- ⚡ 10 sewing feet
- ⚡ Extension table

FINE SEWING FURNITURE

2025 CATALOG

Choosing the Right Sewing Cabinet:

Choosing the right sewing cabinet for your needs can be rewarding and fun! Perhaps you've just purchased a new machine or you would simply like to retire the kitchen table as your workspace. Either way, getting organized with a Horn of America sewing cabinet will facilitate your comfort, creativity, and productivity.

Because you take sewing, embroidery, and quilting seriously, you have probably wondered:

"Do I have room for a sewing cabinet?" **YES!**

"Will I actually use a sewing cabinet?" **YES!**

We know that your sewing needs are unique and we have found that many sewists will sew more and exercise their creativity in new ways if their sewing materials are in one dedicated location. Sew more, sew longer, sew in comfort - all in your dedicated creative space!

How To Choose The Right Cabinet For You:

- 1) How much space in your sewing room do you have to dedicate to a sewing cabinet? Sewing cabinets come in all shapes and sizes, and there is sure to be one that fits your needs.
- 2) What size is your machine? Cabinets offer assorted size openings, lift types, and weight capacities to accommodate different machines.
- 3) Would it be convenient to do your sewing and serging in one workspace?
- 4) Does the cabinet have a lift mechanism so you can switch from free arm to flat bed sewing and a third storage position?
- 5) Do you want a cabinet that completely closes when not in use to conserve space and protect your machine, or will you leave your machine up all the time?
- 6) How much storage would you like? Do you plan to store your thread, sewing tools, and fabric in your cabinet?
- 7) Do you often make larger projects like quilts? A drop leaf extension would provide a larger work surface and reduce the amount your quilt hangs over the edge and pulls at your needle.

Flatbed with Insert

Freearm

Upgrade Your Sewing Experience with a Horn of America Machine Insert

A custom acrylic insert transforms your sewing cabinet by:

- Eliminating gaps between machine and work surface
- Ensuring smooth fabric flow
- Creating an ergonomic workspace
- Reducing wrist strain

Each insert is precision-engineered for your specific machine and cabinet model to maximize comfort and efficiency.

Horn furniture includes many standard features:

- Melamine mar-resistant and water-resistant surface, to give you years of use.
- 6 outlet power strip, so you have one place to plug in your machines, iron, lights, and devices.
- Easy Roll lockable casters so you can position your Horn cabinet where you want it.
- **Whisper Quiet electric lift** that allows you to position your machine in free arm, flatbed, or storage position by pressing a button. Our Whisper Quiet Electric lift is designed to hold large heavy machines up to the **weight limit of 80 Lbs.**
- Hinged drop leaves, swing-up tables, and drawer extension panels give you an expandable work surface (varies by model). These features allow for a very versatile multipurpose cabinet to cut, piece, or add a second sewing machine.
- Soft rounded banded edges that will not snag delicate fabric as you sew.
- **Horn Cabinets come completely assembled**, add the casters, position, and sew.
- Custom inserts are available for all models (Sold Separately).
- **All Horn sewing cabinets are manufactured in the USA in our factory in Sutton, West Virginia . We support American jobs and independent retailers across the country.**
- **All Horn cabinets and tables are protected by a limited lifetime warranty.**

Model 9100 New Heights

Model 910EXT includes:
15" x 25-3/4" angled drawer extension
sold separately

Description

Our Model 9100 gives you the capability to sit or stand while sewing and a huge work surface for cutting, piecing or embroidery. The Model 9100 also features an innovative Magic Corner filler panel, so you never have to worry about your fabric falling "down the hole." The Model 9100 is the perfect all-purpose creative sewing table.

(Cutting mat sold separately)

(Model 910EXT sold separately)

Dimensions	Open	Closed
Width	72-1/2"	60"
Depth	36"	26"
Height	29" - 40"	29" - 40"
Cut-out	31" x 15-1/2"	
Weight	260 lbs	

Features

- **Height Adjustable:** The 9100 can be adjusted between a sitting position of 29" to a standing position of 40" with the touch of a button. With three customizable memory settings, you can be ready to cut, sew, or embroider in seconds.
- **31" Wide Machine Cut-Out:** The 31" x 15-1/2" Fits large machines including popular models like the Baby Lock Radiance, Brother Avener EV1, BERNINA 990, and Janome M17.
